Govt. of AJ&K, Muzaffarabad

Subject: Updation of AJK-ICSR-2009 for the 3rd Qtr. (Jan to March) 2011-12
Sir,

Kindly refer to the approval of the cabinet circulated letter No. P&DD/Admin/ 7778-7830/209 September 15, 2009 and subsequent Govt. Notification No. P&D/Gen/ 1575-1675/2011 dated 11-3-2011, regarding the enforcement of AJK Interim Composite Schedule of Rates (ICSR) applicable to all ten districts for development activities. As there is a rapid fluctuation of market rates, the AJK-ICSR needs its continuous updation on quarterly basis as practiced in Punjab to make the item rates of works compatible with the market prices. These updated rates are framed/calculated for Districts Headquarters (within Municipal limits) and now uploaded for application for estimation of the development projects for the current quarter, whereas for the adjoining areas carriage of materials may be added as per procedure laid down in Sec-1 of AJK-ICSR-2009.

Construction material sources/ quarries of district M.abad, Bagh, Hattian Bala, Kahuta (Haveli), Kotli, Mirpur & Bhimber (as identified by the consultant M/S NESPAK) are also annexed with the updated AJK-ICSR of respective district for quick reference to facilitate the user. Moreover in the current updation, the types of hardrock excavation Grade –I to VI has been elaborated which can be downloaded from the website for information and comments (if any).

You are requested to extend your valuable comments/ feed back on the updated rates. If any error found in the data, please communicate the same for its immediate rectification.

(Engr. Altaf Ahmad)
